【Feature】 Handing out leaflets in several languages about consultation of daily life!

You can consult with the Life Support Division on the 3rd floor of the Tsurumi Ward Office about the following problems and concerns. For example, "I have no job," "I'm short of money," "I want support for my child's study," and so on. When you also look for a job, you can consult with the staff at the support counter.

The leaflets for easy-to-understand in several languages have been created to support foreign residents in Tsurumi who are having financial and living difficulties.

These are available at the Life Support Division of the Tsurumi Ward Office, Tsurumi International Lounge, and Regional Care Plaza (CHIKI KEA PURAZAi in Japanese) in Tsurumi Ward. Please get it and have a look.
