

【special number】How to dispose oversized(large) garbage appropriately

Do you know how to dispose your oversized garbage?

Oversized garbage like furniture or electric appliances is categorized as “sodai gomi”.
Oversized garbage must not be disposed with ordinary domestic garbage.

The garbage ① or ② is regarded as **oversized garbage**.

- ① The thing made of metal which is larger than 30cm.
- ② The thing made of non-metal which is larger than 50cm.

If you dispose the oversized garbage at the collection site with ordinary domestic garbage, those will not be collected. As a result, uncollected garbage causes trouble for local people.

When you want to dispose over-sized garbage, contact here beforehand.
