Parents and children can enjoy reading the children's picture books in foreign languages.

There are also books for studying the Japanese language, about Japan, newspapers, magazines, and maps. You can look up various information on the Internet by computer.

■Checkout / Return

- You can get a Library Card by applying to the counter with the ID card that shows your name and address at first. This card is valid for five years.

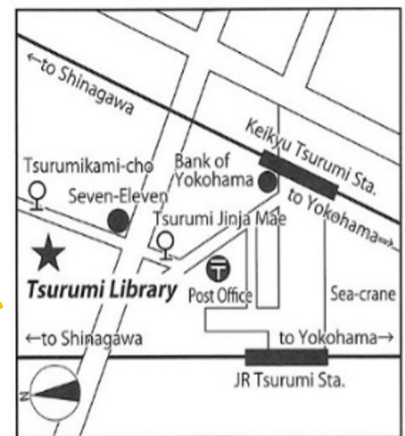

- Each person may borrow up to 10 books for two weeks.

When borrowing books, please bring your library card with you.

For book returns, please bring only items to the counter. A drop box is located outside the library is available even when the library is closed.

- If you cannot find the book you want on the bookshelf, use the reservation service at the counter, by phone, or via the Internet. You can book up to 6 books.

- Other services are also available such as the electronic book reading service.

It's here!
